a Maple Knoll Communities program

live life
Serving Butler and Hamilton Counties

The mission of Maple Knoll Home Health Services is to help older adults live to their highest potential as individuals who seek independence, good health and personal fulfillment. We strive to provide the highest quality of medical care and support in the home with compassion and respect for each person. Services are provided without regard to race, ethnic or national origin, religion, sex, diagnosis or disability.

Our Values

The inherent worth and dignity of every person.
Compassion and respect in human relations.
Respect each person's choice to live as independently as possible.

Quality Medical Care

Home Health Services offers a full range of home health services that enable you to recuperate safely in surroundings where you feel most comfortable—your own home.

Whether you are coming home from the hospital or nursing home, or need extra assistance at home due to illness, we can help by bringing you high quality medical services—without the high cost of inpatient care.
